Headteacher's Message

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 4 February 2022. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. To help raise money for the NSPCC, we are asking children to bring in some loose change that we will be using to add, estimate, measure and complete some fun reasoning and problem solving activities. We'd love everyone in the school to take part in this special event to challenge the children's mathematical thinking in a fun and practical way. Thank you in advance for your support.

Parents' Evenings will be held on Monday 7th and Wednesday 9th February on School Cloud and booking system will go live on Monday 31st January at 4:00pm.

Could we please remind parents to ensure they do not block driveways of homes near to Brookwood Way. We have received some complaints from residents also commenting on lawns being damaged by vehicles. Please show consideration to our community members.

School Uniform is currently available on the app with a view to moving to Gooddies Online, Nu Uniform or Jada shops in Chorley. There is only limited stock in school so only available items are listed. Payment can be made on Parentpay and the items will then be passed to class.
