Headteacher's Message

What a busy day it has been in school today! We have been enjoying supporting the NSPCC by joining in on their Number Day. Thank you to all those of you who sent donations of loose change for the children to learn with and then to be donated to this worthwhile cause.

Our Reception children have also had a brilliant day celebrating Chinese New Year and I thank parents for their support with this.

I do hope children are remembering to celebrate with you at home when they are given a Star of the Week or Headteacher's Award - we do miss being able to celebrate their achievements with you in our Rewards Worship .

Our teachers are looking forward to letting you know about your child's progress on Parents' Evenings next week. Appointments are via School Cloud and are being held on Monday 7th February and Wednesday 9th February.

Thank you also for your continued support with Covid. We have had support from Public Health England and were thrilled that they recognised all of our hard work as a school community :

"It sounds like school is doing an excellent job of managing a difficult situation especially managing to keep the school open whilst numbers in teachers was so high."

Please do continue to be mindful of covid symptoms in your children and respond appropriately.

Some of our children have volunteered to help pick litter around school at break and lunchtimes. It's wonderful to see such community spirit being shown in our young people. Please see photo over leaf.
