Headteacher's Message

A huge well done to all those children who have improved their spelling skills this half term with their work in school and at home for the Spelling Bee and congratulations to the winners! I have heard lots of wonderful stories of children encouraging and supporting each other in their endeavours.

Thank you to everyone for your partnership this half term. I have had very positive feedback about Parents' Evenings this week. Please know that our staff are always pleased to respond to any queries and concerns and our email parentalconcerns@trinitybuckshaw.lancs.sch.uk is always useful as a first point of contact.

All of our children will have completed work in school this week in regards to Online Safety. If you would like to support this learning at home there is lots of information on our school website parents page with links to online safety websites.

Whilst things seem to be changing in wider society in regards to Covid, we will be continuing to operate with Covid precautions in place after half term because we are still experiencing high numbers of cases. Thank you to those families who have been undertaking daily testing with their children at our request, it is very much appreciated.

This half term has been a struggle in school for all staff and I thank them for all of their patience, flexibility and commitment to the Trinity Team. I hope they will all find some rest and peace over half term and I hope you will all enjoy some quality time together as families.

February half term often feels like a time of hope and a reminder of God's love as we start to see signs of Spring around us and I pray that you will all feel that.

Gooddies online uniform shop is now open for purchasing school uniform. <https://www.gooddies.co.uk>
