### Headteacher's Message

A brilliantly, busy week of learning in and out of school for everyone, including me, with Year 6 meeting a musician from the Halle Orchestra, 3D visiting Turton Tower, Year 6 having a Ninja Warrior Workshop whilst Year 5 were busy with an exciting Forces Workshop and the whole of Year 3 blowing us away with their singing whilst getting ready for their Let's Go Sing Concert. Their Let's Go Sing Visitor was impressed so much by their singing especially as the children have not been able to sing in school for the last 2 years and it was the first time they had sung together in the hall. Very well done, Year 3! (More information about the concert can be found on pg 3 of the newsletter).

I have recently had an increase in holiday requests. Please could I remind all parents that we do not authorise absence in school term time and that we encourage you to book holidays during school holiday periods?

**Please could all families ensure children have both indoor and outdoor PE kits available for their children ? Uniform requirements are accessible on our website. A reminder too that school shoes are a part of school uniform, not trainers.**

Also on our website you will find lots of photographs of the fun on World Book Day — please do have a look !

**We will be supporting Comic Relief on Friday 18th March. This year we will be asking you to help us support Comic Relief by sending your children to school with Mad Hair or a Funny Hat along with a donation to support their work in this country and abroad please. Donations can be made on Parentpay.**

#### **Q - Should parents send their child to school if they think they have COVID19?**

A - If a child has any of the main symptoms or a positive test result, the public health advice remains unchanged and is to stay at home and avoid contact with other people. Anyone with any of the main COVID19 symptoms should order a test and are advised to stay at home while waiting for the result. If they test positive, they are advised to follow public health advice.

If your child shows signs of Covid whilst in school we will still ask that you collect them to be tested.

Please note: this is a matter of social responsibility and we are still working to the current Public Health advice until directed otherwise. For school staff and pupils we are retaining the advice to isolate for 5 days and to return to work/school if tests are negative on day 5 and 6. More information can be found here:
