Headteacher's Message

We will be supporting Comic Relief, tomorrow, Friday 18th March. This year we are asking you to help us support Comic Relief by sending your children to school with Mad Hair or a Funny Hat along with a donation to support their work in this country and abroad please. Donations can be made on Parentpay. Children should wear school uniform as normal.

After the Easter break we will be looking to return to our usual high standard of school uniform, all part of our children being ready to learn. As parents I really appreciate your support with this. The main points to note are that children should be wearing school shoes not trainers and that school trousers are required, not jogging bottoms. Staff will be encouraging children to be responsible for how they look for school and rewarding children who have clearly made an effort to be smart.

Our School Council have been very busy this week organising a collection for International Aid Trust who are supporting the people of Ukraine. Please see the children's video on Seesaw which explains the collection. Children have also spent time in class worship this week considering prayers for peace at this troubled time (in an age appropriate way). The collection will take place on Monday 21st March and items should be brought into school and given to the class teacher.

Our wonderful PFA are hoping to hold an Easter Bingo in person on 31st March, 6.30pm — 8.30pm. How marvellous it will be to enjoy time together rather than online, it's always so much better! It is also a great way to raise funds for the children's activities in school.

We have seen an increase in Covid cases over the last few days and so I would like to remind you all-

Q - Should parents send their child to school if they think they have COVID19?

A - If a child has any of the main symptoms or a positive test result, the public health advice remains unchanged and is to stay at home and avoid contact with other people. Anyone with any of the main COVID19 symptoms should order a test and are advised to stay at home while waiting for the result. If they test positive, they are advised to follow public health advice.

If your child shows signs of Covid whilst in school we will still ask that you collect them to be tested.

Please note: this is a matter of social responsibility and we are still working to the current Public Health advice until directed otherwise. For school staff and pupils we are retaining the advice to isolate for 5 days and to return to work/school if tests are negative on day 5 and 6. More information can be found here:
