### Headteacher's Message

**In line with schools and colleges across the nation we will be closed on Monday 19th September as a mark of respect to Her Majesty Queen Elizabeth.**

Well done to all of those children who have earned their first Reading Ticket this week by reading 3 times at home and having their reading record signed. All tickets will go into the draw at half term for a reading prize.

**Our Golden Tickets prizes have been changed and children who earn Golden Tickets at Key Stage 1 will have the chance to have a Tea Party with me or Mrs Corrigan and at Key Stage 2 the prize is to attend a Silent Disco! Golden Tickets are given across school for good behaviour and good work. As I say to the children 'Good Behaviour gets you noticed. Good manners help you shine'.**

Good manners have really shone to two sets of out of school visitors already this term with our Cheerleading coaches and Commando Joe's visitor both saying we have the most enthusiastic and well mannered children they have come across!

**It is always great to welcome you to school for Rewards Worship if your child has received Star of the Week or Headteacher's Award. This year, post covid, we will be able to cement the home school relationship with you with Y1 and Y6 Parents meetings this term, alongside our face to face Parents' Evenings which will take place in early October. Everyone has settled so well into the new school year we will really look forward to sharing with you at that point.**

**These Parents' Evenings will be followed up by a Book Look in the following half term. In the Spring Term there will be Parents' Evenings and a Book Look in the same pattern so that you have regular insight into how your child is progressing. In the Summer Term you receive your child's School Report to give you formal feedback on their progress throughout the year.**

Please know that if you have concerns about your child's learning or any other aspect of school life you can arrange a discussion with the class teacher and that you can always email school at [parentalconcerns@trinitybuckshaw.lancs.sch.uk](mailto:parentalconcerns@trinitybuckshaw.lancs.sch.uk) with any matter.

**A full range of curriculum enhancement visits and visitors, for which we make no charge to you as parents, have already begun. These provide our children with some fantastic life experiences and make sure they are living out our school vision of 'Life in all its fullness'. We are very fortunate to be able to provide these for the children and know that they make a huge impact on their learning.**

One reminder to you if I may. **Please can you ensure that dogs are not brought on to the school premises?** You may know your dog is friendly and safe but children are not always comfortable with dogs and I would ask that they are not brought into the school grounds.
