### Headteacher's Message

**A very happy New Year to you all. It has been fantastic to see the enthusiastic return to learning from everyone this week.**

Please could I ask you to read the following and take it into account — Advice from the UK Health Security Agency (UKHSA).

“Following simple steps can help protect children, minimise the spread of illness in education and childcare settings and protect wider communities.

Flu and coronavirus (COVID-19) are currently circulating at high levels and are likely to continue to increase in coming weeks. High numbers of scarlet fever, which is caused by group A streptococcus, also continue to be reported.

Professor Susan Hopkins, Chief Medical Adviser at the UK Health Security Agency (UKHSA), said:

It's important to minimise the spread of infection in schools and other education and childcare settings as much as possible. If your child is unwell and has a fever, they should stay home from school or nursery until they feel better and the fever has resolved.

Helping children to learn about the importance of good hand hygiene is also key, so practice regular handwashing at home with soap and warm water. Catching coughs and sneezes in tissues then binning them is another simple way to help stop illness from spreading.”

**At Christmas Year 5 and 6 created some Christmas cards and tealight gifts for residents at Buckshaw Village Retirement Village. We have loved seeing some photos of residents receiving these and look forward to going to visit them soon. Photographs are on the next page.**

Parents who are considering Reception school places for their children for September 2023 need to submit their applications via the LCC website by **Sunday 15th January 2023.**

### DATES FOR YOUR DIARY
