Christmas Performance

By Millie B

We couldn't wait to see the Year 2 Christmas performance. They worked so hard at their I'm Gonna Shine themed nativity! They learned many new, catchy and wonderful songs; recited many tricky lines; showed their theatrical flair and passion for acting. The whole school came together at Brookwood Way for this annual performance that blew our socks off!

General Updates

By Imogen M

Previously, Eco Committee have been talking about 'switch off'. This means that when you are leaving your classroom for assembly, break and other times remind your teacher to **TURN OFF ALL ELECTRONICS!**

To keep you updated with star writer, look at your timetables that will be found in your classroom door to find out who will be sharing their amazing stories with you!

Finally just as a reminder, that it's Christmas lunch and Christmas parties next week!

Year 3 Trip

By Sophie K

Year 3 have recently been on a very exciting trip to the Bolton Museum to look at the Egyptian exhibition. They had been split into 2 groups and went to the museum on different weeks. Everyone in year 3 really enjoyed it so much and they've learnt lots of information about the Egyptians to help with their wonderful work. I heard that they had seen a real life mummy when they were there! Well year 3 I hope that you've enjoyed your trip.

Sports & Clubs

By Ryan S

This week and last week, lots of clubs have been going on! Football has been taking place and guess what? Both the A and B boys football teams won the whole tournament! They were also unbeaten and won all their games! Look out for new clubs in the Spring term. I have also some more good news, some people went out to Wellfield High School and came first out of all the schools! Congratulations! That's all the clubs that's on this half term and I hope you do well in them!

Children In Need

By Sophie T

I hope everyone liked Children In Need on Friday 15th of November. Whilst we were in our own clothes we enjoyed many activities like The Big Morning Move by Joe Wicks and many more fun activities including learning and performing a song with our year groups. We raised an amazing total of £604 so thank you to everyone for all your help of bringing in a pound for Children in Need.

Thank you to everyone that entered the School Council Christmas Card Competition! The winning designs are on the school website and they are being shared with the residents at the Retirement Village.

Year 6 would like to thank everyone for their very kind and generous donations at their Tiger Fundraising Day...your generosity allowed them to raise enough money to adopt a tiger!

India Day

By Sofia S

Year 6 recently had their India Day! All year six went down to the hall and listened to the kind lady (Prags). She told us all about India and all the special things they do and all the activities. When she finished she gave us all beautiful different hennas. Then we went upstairs (after we got our samosas of course). When we finally got upstairs we did all the fun activities like building Lego's to learn about India's landmarks then some of us did different collages to learn more about the Indian flag. Then we did some really cool activity booklets that included lots of fun information. After we did that we all got chance to do a batik painting, this was such a good activity to do! Next we went downstairs and did the last activity called Bollywood dancing in total we did a lot of activities and that was the end of India day!
