HELLO TRINITY AND
WELCOME TO THIS
HALF TERM'S ISSUE
OF THE TRINITY
TIMES...

*Welcome
Back!*

By Sophie K

Welcome back to Trinity! We have some exciting news...Mr. Quirk is joining us again he will be teaching the new Year 3 children who have come from Brookwood Way. Mrs Bamber has also returned from maternity leave and she is teaching Year 1! There are also some new members of staff, let me introduce them to you. Mrs Roocroft is our new Year 2 teacher and KS1 School Council Leader. Miss Price, Miss Dewhurst, Miss Hough and Mrs Williams have also joined us as Teaching Assistants too and Miss Clarke has joined KS2 this term. We welcome the Reception children to Brookwood Way and the Year 3 children to Unity Place. I hope you have a wonderful year!

Are you ready for
the Library Reading
Challenge?

Sir Lindsay Hoyle MP

By Sophia S

Welcome to a brand new Trinity Times with new exclusive stories. Today's brand new story is all about an MP called Sir Lindsay Hoyle. Lindsay Hoyle came to answer all Year Sixes questions they were dying to ask.

Lindsay Hoyle is a 62 year old man who is currently the MP for Chorley and he is in the House of Commons. His father was an MP of Clitheroe and he stated that his father was a great inspiration to him. He is also going to run to become the main Speaker of the House of Commons.

One of the main questions was "How did you help the Chorley Youth Zone?"

Lindsay said that he had helped design the Chorley Youth Zone and he also said that it has the most members in the world and that it is the best one yet! Year 6 really enjoyed the visit from Sir Lindsay Hoyle and we really want to thank him for his time teaching us all about Parliament.

Sports & Clubs

By Ryan S

There are lots of sports and lots of fun activities that have been happening this half term (and many more coming up next half term!) There has been boys and girls football for Year 5 and 6, fencing where you can fight your friends with some protective amour on and gardening club where you can go out with Mr Quirk and Mrs Dunderdale and pick some apples! Coding club is on where you can make your own Ipad and you can go and get the glory! Recently, the girls went to two tournaments and played seven games and you will not believe it, they won all their games! They scored 37 goals and conceded 0! Incredible! Judo, the Japanese sport, is on this term and it's where you go barefoot and wrestle! Keep your eyes peeled on the school app to see what new clubs are coming up next half term!

Reading Updates

By Millie B

You lucky readers of The Trinity Times all have new Reading Champions and Monitors. Don't forget to check your timetable for more detail, they can be found in your classrooms, on the library display and on the external Year 5 door!

Prayer

By Liam W

Father God,

We hope that this year will be as fantastic as last year we hope that all the new staff and children feel welcome and that they have a wonderful year. We wish that God's love will be with us in every single one of our lessons to help us be the best that we can be.

Amen.

Puzzle Place

Residential

By Sophie T

On the 25th of September Year 6 went on an amazing trip for 3 nights to Winmarleigh Hall. While we were there we did activities such as:

- Zip wire
- Raft building
- Challenge course
- Jacobs ladder
- Giant swing
- Problem solving
- Low ropes
- High ropes

Also for the evenings we were treated to different activities including:

- Campfire (where we roasted marshmallows on sticks)
- Disco

It is run by PGL they have a lot of sites placed over England. This is the first time our school has ever been to PGL and they loved it! All that children that went learned so many skills from team work to resilience and they made some memories that they will never forget!
