## Easter Worship

By Molly T

On Friday 5<sup>th</sup> April year 5 will be delivering their Easter production. They have put in lots of effort in and have enjoyed doing it. We are very proud of them and can't wait to see it

Who will be the first to get their Gold certificate this year?

## World Book Day

By Emily M

This year, for World Book Day, we donated books to a local school that is less fortunate than us. The children brought some of their old books into school; we wrote a message in them and sent them off to their new homes. We are very happy to be able to help children and other schools! This event took place on Thursday 6<sup>th</sup> March 2019.

## Poll of the Term:

**What is your favorite  
pancake topping?**

Trivia:

If you weighed all of the chocolate that we eat  
a year in the UK it would weigh the same  
amount as:

100 Cars

4000 Blue Whales

500 Books

**Last Issue's answer: 6 teaspoons is the  
recommended daily amount of sugar for  
children.**

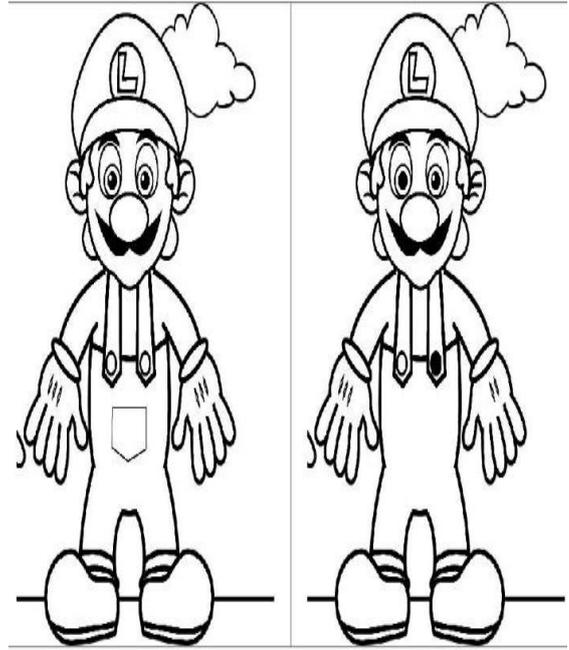

**Check out the comic strip below looking  
at helping people less fortunate than  
ourselves.**

## PRAYER

By Kai Q

**Dear Lord, we thank you that we are in good  
health and have doctors to support us in our  
sickness and disease. Lord please help those  
who are less fortunate than us and let them  
know that you will be forever by their side.**

**Amen.**

# School Council

By Katie S

School Council has been very busy talking about Fair Trade in their meetings with Mrs. Smith & Mrs. Kenyon. They have discussed what we are going to do for Fair Trade this year.

We were awarded the Fair Aware Award last year and Key Stage One has been busy working on challenges to allow us to renew this award! Key Stage Two has also worked on achieving the Fair Active Award. The year 5 & 6 representatives went to St Laurence's (a local primary school) to present to them all the work that they have been doing to achieve these awards. Together, they discussed what they might do next year for the third and final award...the Fair Achiever Award!

Year 5 & 6 School Council Representatives at St Laurence's Church of England Primary School.

# SCIENCE WEEK

By Abbie P

We got into our house teams and then we were sent down to a classroom. In the classroom we learned all about the journeys of our house team founders: Amy Johnson, Neil Armstrong, Ernest Shackleton and Christopher Columbus. We did so many different experiments!

# New Equipment

By Thomas B & Mustafa A

An exciting announcement...some of you may have noticed some changes at Brookwood Way! They have recently had some new playground markings painted on the playground! It includes a 4-way hopscotch, a dartboard for beanbags, a 100 square, a number caterpillar and a long jump!

Key Stage One spent a PE lesson looking at how they could use the wonderful playground markings.

## Comic Relief

By Mustafa A

Comic Relief (Red Nose Day) is about raising money for less fortunate people in the community and internationally. This year, a whopping £63,938,072 was raised and we helped raise funds for this wonderful cause.

Trinity Church of England/Methodist Primary School held a staff talent show which was fantastic! We had The Reception Rockers, A Circus Spectacular, A Shiver Of Sharks, The Dancing Minions, A Morning In The Life Of Mr. Ford, Mrs. Fairweather's piano playing skills, I'm A Teacher Get Me Out Of Here and Pick & Mix Featuring Rainzy!

It was brilliant!

## R.E Conference

By Thomas B

On Ash Wednesday, two year 6 students (Thomas B and Danni A) went to an R.E conference meeting at Ewood Park. They did: quizzes about needs and wants, discussed about food and water and made new friends.

### *Eliza's Big Adventure*

#### *Part 3*

Nine hours later, Eliza and Kimmy woke up. Well, Eliza woke up Kimmy, which she was NOT happy about at all. Eleanor had promised them that she would take them on a ride around the oak tree world again. Kimmy really wanted to go to the ice cream shop, but on the other hand, Eliza wanted to go to the vet training centre. Since Eliza was four, she'd wanted to be a vet, and this was her chance to try it out. A couple of hours later, Eleanor woke up. "Come, you two. We will first go to the ice cream shop." said Eleanor gently. Kimmy squealed. She had a slight ice cream obsession, and Eliza had an obsession about vets. She groaned, but Eleanor saw her. So they set off to the dreaded ice cream shop, and there were the most unusual flavours. There were candyfloss, apple crumble, cherry pie, and custard. Kimmy had candyfloss, Eleanor had cherry pie and Eliza had apple crumble. After what seemed like forever, they set off to the vet training centre. Suddenly, Eliza stopped. "Wait, where is Rusty?" Eliza whispered. Kimmy shook her head. That meant that they'd left him outside! They flew on Eleanor to where the portal was when they entered the world, but it wasn't there! "Oh no, we're trapped!" screamed Kimmy and Eliza.
