## Daily Mile

By Phoebe M

The Daily Mile is a new initiative that we are doing at Trinity. It is proving to be very popular amongst the children, as they are able to work on keeping healthy and it is an opportunity for them to try and improve their personal best.

Mrs. Wright (head teacher) and Mr. Glayzer (year 6G teacher) have organised a new Star Of The Week that is specifically for effort in PE and the Daily Mile (this award will be from each cohort, not each class).

Keep up the hard work with The Daily Mile everyone!

# Sports Council

By Mustafa A

Sports Council is a really important job. You can vote for people that take great effort in the daily mile and clubs, or draw names out of a fancy top hat. If you're Sports Council, you need to motivate people on the Daily Mile and encourage them to do their best. The representatives also persuade people to do some sports clubs and show a lot of effort in PE.

# Story time...

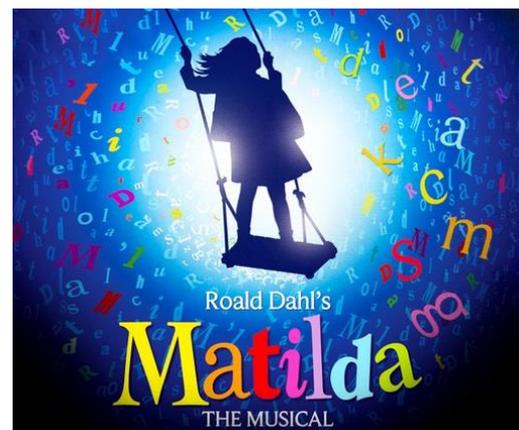

By Harriet H

Have a read of Harriet's review of Matilda the Musical below...and keep an eye out for her column in the next issue too!

## Matilda the Musical

This half term, year 4 has been studying Roald Dahl and one of his books is Matilda. For those who don't know the story, Matilda is an unloved child who loves to read, but her parents don't know why she likes books so much. She figures out that she can move stuff with her eyes and with her powers, she saves her favourite teacher and her whole school from their awful head teacher, Miss Trunchbull, who is a hammer throwing champion (and has been known to have thrown some children as well!). Recently, I have watched Matilda the Musical at the Palace Theatre in Manchester. It was amazing and full of great songs. Personally, my favourite song was "Revolting Children" because this is when the children have frightened Miss Trunchbull and made her run away. The part of Miss Trunchbull was actually played by a man! He was very funny and scary at times. There are a lot of child actors in the show and they were all fantastic. Annalise Bradbury, who played Matilda, was so good that I wanted to take her place as Matilda! At the end, the audience all gave her a standing ovation.

The moral of the story Matilda is that even if you are small, you can achieve anything. Remember, "even if you're little you can do a lot, you mustn't let a little thing like little stop you!"

# Camp Night

By Kai Q & Mya R

Camp Night was on the 21<sup>st</sup> September 2018. Year 6 went to an amazing place called Rock and River. There are many activities to do like:

- \* Leap of faith
- \* Climbing tower
- \* Raft building
- \* Archery
- \* Balance Beam

Due to strong winds and health and safety issues, some children took part in orienteering. That may happen to the next year 6 children too, but it is still an amazing experience and equally as fun!

Camp Night was a fascinating experience for all of year six, it gave us a taste of the wilderness *and a taste of hot chocolate!* The lucky year six children were the first to pitch their tents indoors due to high winds! Personally, I found that I was soaked for half the trip, but even then I found Camp Night fascinating and fun.

Also year six met up with their old year two teacher, Mr. Elliot! Next year's cohort has a lot to look forward to, from climbing walls to the leap of faith, Camp Night is definitely a highlight of year six!

# Football Competition

By Molly T

On the 25<sup>th</sup> of September the year 5 and 6 Girls Football Team went to Lostock Hall to take part in a competition. The team was:

Olivia T(5R), Jessica H(5R), Erin T(5D), Marissa A(5D), Lilly M(5D), Ava M(6K), Lottie (6K), Molly T(6K)

They did very well and just missed out on making it into the quarter final. They won two games and lost two games and we are really proud of them!

Well Done!

# Clubs & Sports

By Holly G-H

We have lots of amazing clubs this year at Trinity, some of these include Netball (Miss. Walsh), Indoor Athletics (Mr Raines), Girls Football (Mr Ford), Choir (Mrs Johnson), Boys Football (Mr Glayzer & Mr Jenkins), Cooking Club (Mrs Taylor) to name just a few!

Have a look at some of the quotes below to see what others think about some of these opportunities!

“The club is fun and full of exciting sports.”

“Football Club is amazing and lets me be competitive”

“It’s really fun and improves my skills!”

“I love trying new things and I do that every week in this club!”

**Which club will you try?**

## Poetry Corner

By Holly B

Oh what a joy it is to have a friend like you,  
For giving me the strength the way you do,  
For lifting me up when I feel down,  
Putting a smile on my face when I wear a frown,  
Thanks for being there and watch me grow,  
You are my best friend and I want you to know.
