**A newspaper for children...written by children!**

**Issue 15 February 2019**

Edited by Mya R & Molly T

## Online Safety

By Holly B

Online Safety Day was Tuesday 5<sup>th</sup> February and all of the classes looked at how to stay safe online. It is known that the internet is used for a variety of things such as: making purchases, meeting new people and booking places to go, but the internet is not always a good place. There are harmful viruses that could break/take over your phone or computer. So it is important to always check with your parents before doing something online. If you go on a website that could give you a virus and you don't know what to do, you should inform an adult immediately! The internet is something you should always be aware of, and you should always ask someone for permission before going online

## Health Week

By Holly G-H

Trinity had a Health Week at the start of the term where we looked at various things we can do for a healthy lifestyle. Did you know that some cake bars can have up to 3 sugar cubes in one portion? Foods like these should be kept for special occasions, not for every day. Why not try and swap a cake for fruited teacakes or malt loaf as a healthier option? Always beware when eating unhealthily because it could affect your overall health.

## Meet A MUSICIAN

By Katie S

Who will be the first to get their Silver certificate this year?

On Monday 29<sup>th</sup> January 2019 Year 6 had a Meet a Musician workshop! We were greeted by a lady called Nicky who plays the violin in an orchestra. She played famous film sound tracks and we had to guess what it was, some of them were: Star Wars, Jurassic Park and Harry Potter. Year 6 got to make their own sound too! There were six different groups (which played different instruments and had different parts). We got to play western cowboy music. She helped us by using her violin to play some notes in the song!

# NSPCC

By Olivia K

On the 18<sup>th</sup> of January 2019, the NSPCC came in to deliver a worship about a fundraiser we all participated in that was linked to the Daily Mile. The NSPCC is an organisation that supports children's needs and helps them with the problems they have. It stands for National Society of the Prevention for Children. Everyone in the school received a letter that gave you information about Big Buddy's Workout, and also about how the funds would help the charity and the children that use it. They are helping out of the kindness of their hearts. Everyone ran their best and everyone is proud of that! Well done everyone!

# School Council

By Abbie P

School Council have been talking about what our school will be doing about Fair Trade this term. We have all recently completed a Fair Trade Quiz in our house teams!

They have also been discussing the suggestions board to find good ideas for the school. Remember you can always add your ideas to the suggestions board and your councilor will take them to the meeting...maybe your idea will be chosen for our amazing school to make it even better!

# Spelling

# Bee

By Kiera D

The Spelling Bee is an annual competition that we do here at Trinity and it is where two boys and two girls go head to head and compete to win the title of Star Speller. This year the Spelling Bee was the week beginning the 4<sup>th</sup> February and each class competed on a different day. Everyone has been practicing their spellings very well; especially the select few who have been chosen to enter the final! This year's winners are ...

1B	Alice BC & Henry B	3W	Isabella R & Zachary M
1S	Elsie I & Arthur E	4F	Harriet H & Cayden L & Hallie-Beth K
1C	Olivia BC & Toby T	4Y	Rory B
2W	Claudia R & Luke A	5D	Lewis T & Jasmine P
2B	Poppy K & Harry B	5R	Seb C & Chloe D
2L	Emily O & Sam K	5J	Naomi S & Antoni B
3J	Juliet H & Alex C	6G	Olivia K & Charlie B
3F	Alexa L & Calum P	6K	Molly T & Thomas B

# FIRE SERVICE

By Mustafa A

In January the Fire Service came to our school and taught us about road safety. We learnt about how we could keep ourselves safe on the road by doing important things like: wearing a bike helmet, not wearing headphones when you are crossing roads and wearing bright clothing as a pedestrian. Remember to always keep your eyes on the road!

# All the extras...

By Phoebe M

## Poll of the Term:

What is your favorite sport?

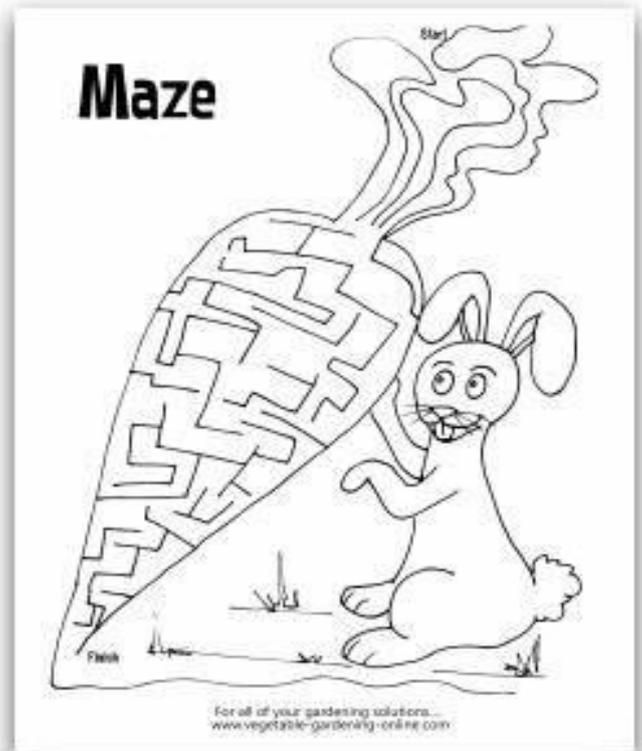

What is the recommended amount of sugar for children per day?

- A) 2 teaspoons
- B) 6 teaspoons
- C) 10 teaspoons

Last issue's question and answer....

What was the name of the angle that visited Mary to tell her she was going to have a baby? B: Gabriel.

# Puzzle Place

## PRAYER

Dear Lord,

As we reflect on our health week, let us always make the right decisions. Thank you for keeping us healthy, at tough time's thank you for not giving up on us when we feel down about self-image, healthy exercise and what we should eat.

Amen

Check out the comic strip below looking at healthy choices

By Kai Q

## Dates your for diary

Parent's Evenings	Monday 11 <sup>th</sup> & Wednesday 13 <sup>th</sup> February
End of term	Friday 15 <sup>th</sup> February
Start of term	Tuesday 26 <sup>th</sup> February

# Victorians

By Thomas B

On Wednesday 16<sup>th</sup> January, Year 6 had a visitor (Del) in to talk to them about Victorians and The Industrial Revolution.

We looked at artifacts, Victorian life & the impact it had on our lives today. We made privy paper (newspaper cut into strips) and had a game of guess the use of the artifact!

Everyone enjoyed learning about the Industrial Revolution. We also acted out what life would be like in a Victorian house and she explained about bed time (she even told us all about the outdoor toilet)!

This was a great experience and an interesting day for all of us!

# Story Time...

By Harriett H

When the two friends stepped inside the old oak tree, Eliza's vision blurred as the walls spun around them. They both felt sick. After what seemed like an hour, their feet finally met earth. But when Kimmy saw land, she also saw her absolutely favourite thing in the world!

"It's a real unicorn!" she screeched excitedly. The wish that she most wanted to happen was to see a real live unicorn. Then when the unicorn came over, Kimmy and Eliza realised it wasn't a unicorn, it was an alicorn! Her mane and tail was the colour of candyfloss, and her soft, fluffy coat was as white as clouds. Her hair was studded with tiny, miniature pieces of candy.

"Hello, I am Eleanor. What are your names?" said the alicorn, in a calm and soothing voice. Kimmy was too shocked to speak, so Eliza did it for both of them.

"I'm Eliza Parker, and this is Kimmy Walker." said Eliza eagerly. She loved showing off her braveness to others, especially Kimmy. Then, Eleanor asked them if they wanted to ride around the world, and of course they said yes. The first thing they saw was Eleanor's home. She lived in a cottage, only 4 feet high, but when you went inside it was about 16 feet higher! Her room was huge, with a pink duvet and pillowcase, a pink carpet and rug, a pink vanity and wardrobe and a pink chest of drawers. Then, Eliza realised that it was late, so they'd better go to sleep, and Eleanor showed them to a guest room where they fell into a deep sleep.

To be continued...
