Transition to Year 3

- * In year 3 we continue to develop the children's independence and resilience. Even though your child is now at a different building the expectations are the same across school.
- * The children will take part in the daily mile, which happens for 10 minutes every day in the afternoon.
- * The children have been taught the process 3 before me (brain / board / buddy). This is to develop your child's independence during lesson time. #
- * At playtimes, the children can access the friendship wheel to support their relationships with their peers developing their independence and resilience.

*Independence

*Please help us to create independent learners by encouraging your child to:

- Take responsibility for their belongings e.g making sure they bring their library / school reader back on time (Thursday)
- Work independently (including for homework- once they understand the task)
- Persevere with tasks, even when they find something tricky
- Ask questions when they are unsure

We want to work with you to create independent, resilient young children who are thriving both in school and at home.

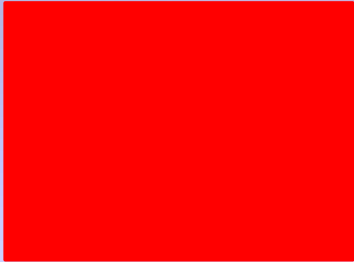

Throughout your child's time in school, they have learnt the Trinity behaviour expectations.

We reward children with verbal praise, stickers, golden tickets and house team points for Christian Values.

Golden tickets enter your child into a lucky draw whereby they can win a silent disco with Mrs Wright.

The House team which gains the most team in a half terms receives an extra play time with the equipment.

 **Behaviour system**

- * All children start the day on Green for good behaviour.
- * Children not following behaviour expectations will firstly receive a verbal warning. If this behaviour continues the child will move their name to the red for stop coloured card.
- * For repeatedly not following behaviour expectations or serious incidents the child will move their name to yellow, for a yellow sheet.
- * Then the following procedures will take place:
 - * 1 Yellow sheet = missed playtime
 - * 2 Yellow sheets = see Miss Fairweather
 - * 3 Yellow sheets = Red sheet = see Mrs Wright or Mrs Corrigan

*Guided Reading

Children will bring home their new reading book on a Thursday.

Our Reading Diaries are for you to record when you have read with your child. You can record anything that has been read at home it does not need to be the book sent home from school. For example reading a library book can be recorded or a book from home can be recorded as well. In school we have a 'We Are Reading' incentive.

If your child has read three times in a week they will receive a ticket for the prize draw which takes place at the end of each half term. They can then win a book of their choice.

How can I support my child in reading?

- * Encourage your child to read - anything and everything!!
- * Discuss books read at home.
- * In the front of the reading diary we have added a sheet with support ideas for reading at home.
- * Reading and library books to be returned on a Thursday. Library books can be kept for longer if your child is still reading it.

*Homework

- * A homework grid will be posted on our website and on Seesaw for each half term.
- * Children should respond to the activities on their Seesaw journal where possible, posting photographs or videos if appropriate. Homework or any additional home learning can be brought into school as well.
- * You will find your child's own seesaw and TTRS login attached to the cover of their homework folder / yellow reading diary.
