"Supporting our school, our children, their future"

October 2026 Issue #03

Meet our New Chair

Christine Brackern

As a Year 2 parent at the school, I'm passionate about helping to create a strong, supportive community for our children and families. I work full-time as a Quality Matron in the NHS, so I understand the challenges of balancing work, family life and other commitments.

I've been a committee member since my little girl started in Reception and saw this as my way of supporting the school, particularly as I'm not always able to be on the playground.

I'm looking forward to working with fellow parents, staff and volunteers to organise events, raise funds and make a positive difference for our school community.

I had the pleasure of meeting some new faces at October's AGM, and I hope to meet many more of you over the coming months.

Like many parents, I know how busy family life can be, so any support, ideas or involvement, no matter how big or small, is always appreciated.

Thank you for your support, and I look forward to working with you all.

Meet our New Vice Chair

Jenna Townley

I've been a member of the PFA committee for the past two years, and this year I'm excited to be taking on the roles of Vice Chair and Trustee.

Alongside the rest of the PFA team, I'm looking forward to supporting Christine and helping to ensure our children have the very best opportunities to enrich their education and thrive.

Having grown up in a small village, community spirit has always been particularly important to me. I take great pride in knowing that the time and effort we put into the PFA makes a real difference to our children's school experience.

The PFA is a wonderful group of parents who share a common goal: making a positive difference for all our children.

We'd love for you to come along to a meeting, get to know us and become part of the team. Every little bit of support makes a difference! big or small, is always appreciated.

What is the PFA?

The PFA (Parents and Friends Association) is made up of parents, carers and friends of Trinity who want to support our school community.
By organising events and fundraising activities, we help provide additional resources and opportunities that enrich our children's learning and school experience. We are proud to support Trinity and help the school continue to thrive, giving every child the very best opportunities to learn, grow and succeed.

Trinity PFA is a registered charity (No. 1174686).

Did you know we're on Facebook? Follow our Facebook page, Trinity PFA Charity No. 1174686, to see what we've been up to and stay up to date with the latest news, events and fundraising activities.
Class WhatsApp Groups Are you in your child's class WhatsApp group? They're a great way to stay informed and connected with other parents and carers.
If you'd like to be added to your class WhatsApp group, send us a message via Facebook or email us at info@trinitypfa.com. We'd love to hear from you!

A Round-Up of What's Been Happening

As some of you may know, Karen gave her intention to step down as PFA Chair following the Summer Fair. We would like to extend a huge thank you to Karen for her six years of dedication, hard work and commitment to the PFA. Her time, energy and enthusiasm have helped make countless events and activities a success, raising valuable funds and creating wonderful experiences for our children and school community.

We are incredibly grateful for everything Karen has done and wish her all the very best for the future. While she may be stepping down from the role, we hope this is not
goodbye, and we look forward to seeing her at future PFA events. Thank you, Karen, for everything you have given to our school community.
Her step down was made official at our Annual General Meeting (AGM) in October, where we also welcomed some new and exciting faces to the committee. We'll share more about the team in the nect newsletter.

We've recently completed two fantastic Glow Disco evenings, our first major events of the 2026/27 school year. Both nights were packed with fun, energy and plenty of glowing smiles!
We would like to say a huge thank you to all the parents who volunteered to help at the discos. Some supported multiple events and others generously gave their time despite not having children attending that particular disco. Your willingness to help and your Trinity family spirit are truly appreciated.

We must also recognise our dedicated PFA volunteers who spend countless hours behind the scenes planning, organising and delivering these events. From arranging logistics and purchasing supplies to setting up and clearing away, a great deal of time, effort and teamwork goes into making these experiences possible for our children.

Without the support of our amazing volunteers, events like these simply couldn't happen. Thank you for everything you do.
