### Headteacher's Message

**I know that all of Year 2 have loved their visits to Imagine That — thank you to all those involved in making sure the visits went well for the children.**

Our Reception children really enjoyed their Dragon Workshop and very pleasingly we received this comment — "Firstly, thank you very much for having the Teach Rex team at your school. The team had a lovely time and were made to feel very welcome by everyone. The children in your care are fabulous and you clearly create a lovely safe learning environment for them."

Well done to our Reception children!

**Year One had a super day team building and problem solving with Commando Joe's as you can see on the photographs.**

I have had some wonderful moments talking to children about their learning over the past couple of weeks and seen lots of exciting and interactive teaching and learning and I know you will be impressed by the work in books when you have chance to look at Parents' Evenings.

**Parents' Evenings will be taking place in school on Monday 5th and Wednesday 7th February from 4:00pm — 7:00pm. Appointments will be available for booking via Schoolcloud on Monday 29th January from 3:00pm until Sunday 4th February at 12:00pm. A link will be sent out on the app on Monday morning. We are looking forward to welcoming you to school and Mrs Corrigan and I will both be available if you wish to discuss anything.**

CONGRATULATIONS to our Year 5 and 6 Cross Country runners who competed last night at Hutton Grammar School. Ben won the cross country over all, ahead of over 100 runners! All of our children were absolutely brilliant and showed great resilience; with everyone rather muddy and very wet! Two of our boys also showed great sportsmanship and thoughtfulness coming to help run with our last contestant over the finishing line. Well done to them all!

#### DATES FOR YOUR DIARY
