### Headteacher's Message

**Year 3 absolutely blew our socks off last week at Let's Go Sing! Not only did they perform and sing with verve and gusto but for the whole of their long day at King George's Hall they were examples of superb behaviour to all of the other schools represented. I was beyond proud of all of them!**

As we move towards Easter, Year 5 are preparing a re-telling of the Easter story and we look forward to welcoming Year 5 parents to share this with us on Wednesday 27th March at 9:15am at Unity Place. We will also be welcoming Year 1 parents for an Easter Singing Performance at Brookwood Way at 2:45pm on Tuesday 26th March.

**Buckshaw Village Church are holding an Easter Community Event on Saturday 30th March and are in need of donations of toiletries or bottles for their Tombolas, please. The toiletries Tombola is to raise funds for 3 former Trinity pupils who are hoping to visit, work and help in Zambia and any donations are greatly appreciated. They should be brought to school and dropped off in the donations box at the school office on Monday 25th March, please.**

The children who visited Blackburn Cathedral to see the Threads Through Creation had an amazing time on Monday. This exhibition is available until 14th April and is free. A fantastic, thought provoking and inspiring experience do go along in the Easter holidays.

**This week some of our Year 1 children went to sing to residents at Buckshaw Retirement Village, to celebrate both Easter and International day of happiness. The behaviour of our children was commented on by several member of staff at the retirement village, as they were noticed for their polite manners and lovely interactions with the residents. They sang songs, ate cake, enjoyed juice and biscuits and had a great chat with residents of all ages. We even met a lady who had turned 100 and showed us her card from the King! The lovely afternoon was enjoyed by all.**

The raffle for Chester Zoo tickets was held in school earlier this week and they were won by Lilly in 1H. Congratulations Lilly!

**Children from across Year 5 have been part of a judging panel for the 2023 Young People's Book Prize. Earlier in the year each child read all of the shortlisted books, then came together as a group to judge each one. After much debate and discussion the panel decided that Am I Made of Stardust? By Dr Maggie Aderin-Pocock was the best book and submitted their views to the Royal Society judging panel. Be sure to check out this great book in our library as well as the other short-listed titles.**
