Headteacher's Message

We are all looking forward to Parents' Evenings Monday 10th and Wednesday 12th February. Booking on Schoolcloud will go live on Monday 3rd February at 12:00pm and will close Sunday 9th February at 12:00pm. A link to Schoolcloud will be sent out on Monday morning on the app.

We were thrilled this morning to welcome Sir Lindsay Hoyle, Speaker of the House of Commons, Chorley MP and friend to our school, to our Key Stage 1 site at Brookwood Way. He was visiting the children who had participated in the Creative for Climate Justice project that Miss Dewhurst had organised to support Christian Aid. Our children, as ever, impressed us with their behaviour and good manners and with their perceptive and interested questions to Sir Lindsay.

Two of the entries from our children have been chosen by Christian Aid from all of the entries received nationally to be displayed at Westminster.

Over the last couple of weeks Mrs Corrigan and I have been watching all of our classes Reading in a morning and have been thrilled to see the work going on in classrooms. One thing we have noticed, particularly on Monday mornings is a lot of very, very tired children. NHS England recommends that children have between 9 - 13 hours sleep per night. Lack of sleep can cause tiredness throughout the day, poor concentration, lack of energy and headaches. Sleep is so incredibly important to all of our children!
