Headteacher's Message

How wonderful to start our newsletter with even more Trinity sporting success!

On Monday 10th March, the upper Key Stage 2 swimming team took part in a gala at Hutton Grammar School. They raced in individual events and team relay events. Many members of the team placed first in their individual events and relay events which meant that Trinity took home first place overall! The children were a credit to Trinity and came home with individual medals and a team trophy. Congratulations to them all.

Whilst those older children were swimming, our Year 3 children were busy singing at the Winter Gardens in Blackpool. 'Let's Go Sing' proved to be a fantastic evening, despite traffic difficulties for some. Our children brought joy with their performances and with their fantastic behaviour, attitude and approach to the whole day. Thank you so very much to the whole staff team who supported their preparation and participation in this once in a lifetime opportunity.

This week has been British Science Week and all of our children have done some fabulous work around the theme of 'Change and Adapt'. Year 2 enjoyed making rainwater collectors and Year 4 loved learning about changing states of matter. Both Year 1 and Year 6 enjoyed changing PE activities for people with disabilities and thinking about the adaptations needed.

Next Friday, 21st March, we look forward to supporting **Comic Relief** by wearing red. We will be compiling a **Trinity Joke Book** to bring some chuckles — do start having a chat about your favourite jokes at home.

There are two more weeks until our Trinity Sewing Bee closing date. I hope your crafty projects are reaching completion and can't wait to see them all.

AUTISM AWARENESS DAY

Let's embrace uniqueness, spread awareness, and promote inclusion.

To show our support the children can wear one thing in a colour that represents them. This can be as simple as a bobble or a pair of socks, in addition to our normal school uniform.
