

**FRIDAY 5TH MARCH 2026**

## *Mrs Wright's Weekly Update*

### **World Book Day**

Thank you all so very, very much for your efforts in supporting World Book Day yesterday. Our children and the staff all looked incredible. How brilliant to have a school being run by The Gingerbread Man and Paddington Bear and be greeted by Mary Poppins, a Crayon or a Witch!

We have all enjoyed sharing stories across school with Year 5 children visiting Year 2 children, Year 6 and Year 3 children reading together and our Year 4 children venturing to Brookwood Way to read with Year 1. On Thursday we even had some of our younger friends visit from The Hub Nursery to have story time with Year 6. Throughout this term we also have visits to the Retirement Village where our children love to read with the residents.

Staff too have been busy with lots of extra reading being recorded for the children and shared in class. Our younger children have had lots of stories read to them by lots of different staff and at Key Stage 2 children have been listening to chapters of *The Day My Dream Came Alive* read to them by school staff. We all love reading at Trinity and your children's responses to these activities have really shown that. Keep going with the Library Reading challenge!

### **Food Hygiene and school lunches**

Next week our year 5 children will be having Food Hygiene Training and I look forward to them being able to help out their friends on the salad bar at lunchtimes.

A reminder that our school meals price will be increasing to £3 a day after the Easter break for children at KS2.

### **NSPCC**

Next week we will be holding class assemblies across school from the NSPCC and we will welcome visitors into school to lead *Speak Out, Stay Safe* Sessions with our children in Years 2, 5 and 6 to help to support our children become confident in looking after their well being the following week.

**FRIDAY 5TH MARCH 2026**

## *Mrs Wright's Weekly Update* *cont'd*

### **Cross Country**

On Tuesday after school, nearly 40 of our children travelled to Hutton Grammar School to take part in a cross-country team event. Despite a few travel and parking challenges getting there, the team arrived ready to compete and represented the school brilliantly. It was fantastic to see so many children keen to take part, especially after the effort they have put into training over the past few weeks. Every runner showed great determination and team spirit, and we are incredibly proud of the commitment and enthusiasm shown by everyone involved. We are still awaiting the official results, but regardless of the outcome, it was a fantastic effort from all who took part.

A huge thank you also goes to the parents who helped transport the children and stayed to support them at the event. Without this wonderful support, many of the children would not have had the opportunity to take part, and it is greatly appreciated. Thank you as well to the staff members who attended the event and helped support and supervise the children.

### **Dance Competition**

Dance competition – good luck to the large group of children representing Trinity at the Dance Competition next week. We all enjoyed watching your rehearsal this week and are sure you will shine!

### **Make up**

Just a quick reminder that children should not be wearing make up in school. Please ensure that anyone bringing lip balm for sore or chapped lips is bringing exactly that and not using lip gloss! Thank you.

### **Advance notice - Red Nose Day - 20<sup>th</sup> March**

Children may wear non uniform activewear as we will be holding Trinity Taskmaster challenges and raising funds for Comic Relief.

Obviously, the Taskmaster programme is not recommended by us for children, but the idea of having funny challenges to complete should raise lots of smiles on Red Nose Day.
