

FRIDAY 13TH MARCH 2026

Mrs Wright's Weekly Update

British Science Week

After all the fun of World Book Day, which has continued in school with our sharing of teachers reading stories to the children, we have been enjoying lots of investigations and activities for British Science Week this week, exploring the theme of curiosity and questioning. The children have had the opportunity to explore a range of scientific enquiries from the most effective pegs at hanging washing on the line, to which material causes the most friction for a toy car. It has been lovely to see so much conversation about Science taking place throughout school, and we hope that your children have shared all that they have learnt with you at home.

Take a look at our Instagram for some photos of what we have been up to!

Dance Competition

I am incredibly proud of the Year 5 and Year 6 children who took to the stage on Tuesday evening to represent Trinity in the South Ribble Primary Dance Competition. They performed a dance choreographed by themselves which focussed on dance skills. It was performed with such grace and technical ability. Their costumes were beautiful too! A special thank you to Miss Wilson for making all of them and to Mrs Collins for her immense hard work in running the club and organising everything so brilliantly!

It wasn't their night to pick up an award but they showed great team spirit and did the Trinity Family proud. Well done!

Red Nose Day - Friday 20th March

Next Friday 20th March - children may wear non uniform of activewear as we will be holding Trinity Taskmaster challenges and raising funds for Comic Relief.

Obviously the Taskmaster programme is not recommended by us for children but the idea of having funny challenges to complete will raise lots of smiles on Red Nose Day.

Please could families make a donation of a pound per child, or more if you feel inspired to, via Parent Pay?

Coming up.....

Year 1 are starting their road safety Right Start training next week and our Rocksteady children will be performing at Key Stage 2 on Wednesday 18th and Key Stage 1 on Thursday 19th March at 2:00pm.

We are all looking forward to our Year 3 Sing Out Concerts on Monday 23rd at 2pm and 6pm and know that the children will be excited too to perform to their families.

Year 5 are also getting ready for their Easter worship to parents on Thursday 26th March and then to the whole school on Friday 27th March.

What's on?
