## *Mrs Wright's Weekly Update*

### **Year 3 - Sing Out Concerts**

Thank you for your support for our Year 3 Sing Out concerts this week. We were blown away with their enthusiasm and the quality of their performance. Huge thanks go to the Year 3 team Miss Dewhurst, Mrs Fairweather and Miss Hill who prepared the children brilliantly.

I am delighted that through your generosity we are able to make a donation of £561.00 to Derian House who do amazing work to support families.

We also raised a very impressive £587.35 for Comic Relief last Friday! Thank you all for giving so generously.

### **Easter Celebrations**

All my thanks go to the Year 1 team for their efforts with their Easter Celebration. I have been wondering all week if Year One have been responsible for the mindblowing weather this week through their having their Seasons Day on Monday!

I hope some of you will have seen children on their way back from Brookwood Way this morning waving their Palm Crosses as an act of witness from our Christian school following the superb Easter Worship lead by our Year 5 children. Our Year 5 staff team are to be commended too for their hard work in providing us with a thought provoking act of worship and the whole year group should also be commended for their mature approach and fantastic performance. It is always such a privilege to have our whole school family together as we mark these significant moments in both the Church's and our academic year and I am reminded of the privilege that it is to serve as your Headteacher.

### **Smartphone Free Childhood**

Smartphone free childhood (SFC) is a fast growing grass roots movement on a mission to bring people together to stand up for healthier, happier childhoods. It isn't about banning tech or turning back time – it's about giving children more of what really matters: time, connection, and freedom to be children.

SFC help families delay smartphones and social media together – building community, sharing support, and changing the conversation. Step by step. Brick (phone) by brick (phone). Because real change doesn't come from the top down. It starts with all of us, working together. United for childhood.

Have a look and find out what it's all about -

### **Swimming Gala**

Very well done to the children who represented our school so brilliantly at the South Ribble Swimming Gala – a fantastic result of your teamwork is that you came 4<sup>th</sup> out of the 10 schools that competed, really well done!

### **Coming up.....**

I do hope you will have the opportunity to join in with some of Buckshaw Village Church's activities at Easter time and that the holiday will be a time for family togetherness and fun for you all.

As you will see from the dates for your diary 'Life in all its Fullness' continues for all in the summer term when we return from our break on Monday 13<sup>th</sup> April.
