FRIDAY 24TH APRIL 2026

Mrs Wright's Weekly Update

This week

Another busy week of learning with exciting times across the curriculum , especially Year 4 enjoying their Water Workshops, our fab Earth Day activities (please see our Instagram post) and seeing lots of little high viz jackets out and about at Brookwood Way , worn by our children on their Road Safety Training.

Our first Meat Free Monday was a success. Thank you to Eco Council for their work on this. We would ask those children with packed lunches to join with us too so that we can make it a whole school effort.

Half of year 1 had the most wonderful time at Imagine That and I know the other half are eagerly awaiting their turn next week. I am always grateful to my staff for their organisation of these opportunities and to parent volunteers who help us to be able to support the children to make the most of them - thank you!

Next week

Next week Year 6 will having a practise to see what it's like to work in the hall for their SATs , some of our Key Stage 2 children will be representing the Trinity Team at a Bowling Competition and we wish them much luck.

Next week is also our Children's Mental Health Week; the theme for this year is This is My Place. We will be reflecting on what it feels like to be part of something such as your family, your school, your group of friends or team. These happy moments help us feel connected, valued and accepted. When we feel like we belong, we feel happy, safe and ready to learn. It helps us grow strong in our minds and bodies and it makes it easier to make friends, do well in school and feel good about ourselves. Everyone deserves to feel like they have a place where they are accepted, cared for and loved and in all we do we endeavour to make our school one of those places.

Just One Tree Day

Our school will be taking part in JUST ONE Tree Day on Friday 1st May. Each child is being encouraged to wear non-uniform that includes something green and bring in £1 to fund the planting of their tree. JUST ONE Tree, an official partner in the UN Decade on Ecosystem Restoration, is an award-winning non-profit removing CO2 from the atmosphere and reversing biodiversity loss through global reforestation. JUST ONE Tree makes it simple for everyone to take collective action on the climate crisis because Just £1 plants 1 Tree. We're sure you will agree that tree planting is absolutely essential at this critical time for the planet. We will therefore be joining children, parents and teachers around the world on this day to demonstrate that an individual's actions can have a positive impact on the environment. Please bring your suggested donation of £1 to school or pay via ParentPay by Friday 1st May.

We look forward to counting the number of trees that our school community can add to our forest - it currently stands at 581 trees strong from our last Tree Day a few years ago.

Big question - Summer 1

**HOW DO YOU
SHOW LOVE IN
YOUR
COMMUNITY?**

Each half term we focus on our Big Question during our class worships.

We discuss them with our friends and share our ideas together. You could talk about these at home too.
