NEWS

FRIDAY 1ST MAY 2026

Mrs Wright's Weekly Update

This week

How have we got to be in May already? Life is so busy and full of excitement here at Trinity it means time flies. It's certainly been busy in and around school this week with the other half of Year 1 enjoying their time at Imagine That and Year 6 practising for SATs week.

It's been lovely today to see all the shades of green around school today supporting our Just One Tree Day. Thank you for your generosity. I will be excited to find out how many more trees we have added to the 581 we planted last time we supported the charity.

Reading at home

Whilst we have a curriculum which gives our children lots of experiences to help them learn and live out Life in all its Fullness we never lose our focus on reading, writing and maths and children developing these vital life skills. We ask for your support at home with reading, please.

Remember to sign reading diaries and let us know that you have been talking to children about their reading. Everyone knows reading expands worlds, sharpens minds and fuels creativity but fewer of us are making time for it. It is the National Year of Reading – please find out more at - [National Year of Reading 2026 | Go All In](#)

Next week....

I hope you will all enjoy some fun time over the long weekend. Next Week brings joy with Year 1 having their Camping Afternoon and the Key Stage 2 Rugby League starts.

Club letters for the final half term will be coming home next week. I am really proud that we continue to offer such a range and variety of extra curricular activities and am very grateful to all the staff who facilitate them – thank you to them all.

What's on?

Big question - Summer 1

**HOW DO YOU
SHOW LOVE IN
YOUR
COMMUNITY?**

Each half term we focus on our Big Question during our class worships.

We discuss them with our friends and share our ideas together. You could talk about these at home too.
