Mrs Wright's Weekly Update

Extra Curricular Clubs

We are incredibly proud to have offered a massive amount, 73 different extra-curricular clubs this year. Who knew there were so many different activities to take part in? They have given our children a wide range of exciting opportunities beyond the classroom and, as ever, I am extremely grateful to all the staff involved in organising and facilitating this.

79% of our pupils have been able to attend at least one extra-curricular activity, with lots attending more than one, reflecting the enthusiasm and engagement across our school community.

Letters outlining the clubs available for next half term were sent home this week. Please ensure these are returned promptly to secure your child's place.

Year 1 Camping

Year 1 had a wonderful Camping afternoon on Monday with lots of activities and tents out on the field. I love that our staff to do all they can to make learning engaging and fun for all of our children.

Just One Tree Day

Thank you for your generosity!

We have added 337 trees to the 581 we planted last time we supported the charity. So, our school forest stands at a huge 918

SATS next week

Our Year 6 children will be taking their SATs next week and are invited to come in to school early on Monday to Thursday for their SATs breakfasts at **8.15am** each morning.

I look forward to enjoying this preparation time with them and know they will all be on early nights this weekend to make sure they are ready for action.

What's on?

Big question - Summer 1

**HOW DO YOU
SHOW LOVE IN
YOUR
COMMUNITY?**

Each half term we focus on our Big Question during our class worships.

We discuss them with our friends and share our ideas together. You could talk about these at home too.
